

SIERRA CANYON SCHOOL

Parent and Athlete Handbook

To the Parents and Athletes

This guide has been prepared and presented to you because your son or daughter has indicated a desire to participate in the Sierra Canyon School Athletics Program. We appreciate your interest in this phase of our school program and strongly believe that participation in athletics provides many opportunities to enhance the core values of Sierra Canyon School.

In conjunction with the California Interscholastic Federation Southern Section (CIF-SS), the Athletic Department sets policies and procedures that govern the spirit of competition at Sierra Canyon School. These rules need a broad base of parental support, which can only be achieved through proactive communication. This handbook will attempt to address that objective and answer questions that you may have about your child's participation in the Athletics Program.

Competing in a sport at Sierra Canyon School is considered a privilege. Participation carries certain responsibilities on and off the field, on campus and off. A great athletic tradition is built through hard work by many people over many years. You and your student-athlete are a valued part of building that tradition here at Sierra Canyon. In just a few short years, Sierra Canyon Athletics has become a powerhouse not only in the San Fernando Valley, but in the greater Los Angeles area, winning multiple CIF-SS Championships in a variety of sports.

Please read this handbook thoroughly, and then discuss it with your student-athlete(s). Then sign and date the form below and at the end of this document. These signed forms, along with an annual medical release from your child's physician, must be on file with the Athletics Department prior to your child's participation in any sport at Sierra Canyon.

I look forward to another very successful year in Sierra Canyon Athletics.

Go Trailblazers!

Sierra Canyon Mission and Philosophy

The philosophy of the Athletics Department follows the basic mission and founding tenets of the School:

Sierra Canyon School is an academically excellent, college preparatory school committed to an empowering environment in which students realize their greatest intellectual, creative, ethical, and physical promise. We are defined by an energized, attentive, and diverse student-teacher culture. Sierra Canyon School is a special place to grow for the challenges of a fast-changing world.

The relationship between teacher and student is at the heart of every excellent academic institution. Sierra Canyon School cultivates this relationship by providing a dynamic learning environment that facilitates positive growth among all members of the school community. Sierra Canyon School students advance their knowledge through thoughtful discussion and the exploration of ideas. At its core, Sierra Canyon School develops students who are as keen to realize their potential as their teachers are to inspire it.

Athletics Department Goals

1. Develop the best overall athletic program possible and become a model for other independent school programs.
2. Teach fundamentals and techniques of each sport in a progressive planned sequence.
3. Provide a comprehensive strength and conditioning program for all student-athletes.
4. Emphasize full participation, encouraging athletes to play three sports, and not specialize in one particular sport.
5. Provide the best in facilities, equipment, and coaching.

Team Levels

Varsity

1. Form the most competitive teams to compete at the highest level. In the event of limited space, the Head Coach of each individual sport will conduct tryouts.
2. The Varsity Head Coach will oversee the entire program at all levels. He or she will mentor the sub-varsity coaches and observe and direct Middle School practices as needed. He or she will delegate support staff (managers, clock operators, videographers, statisticians, announcers) as needed for all teams in the program. In the absence of a Head Coach, the Athletics Director will assume these responsibilities.
3. The best athlete, at the coach's discretion, plays as much as necessary to win the game.
4. Wins are important in varsity athletics, but do not stand alone in determining the success of a season. The amount of team unity, strong work ethic and sense of pride that develops over the course of the season, are all factors in determining success at the varsity level.

Team Levels

continued

Junior Varsity

1. The coach will prepare athletes, through an appropriate level of competition, for participation in the varsity program.
2. He or she will allow playing time in practice and games over the course of the season to foster maturity in athletes. Junior varsity student-athletes who are on the active roster will have playing time appropriate to skill level.
3. The coach will emphasize development of fundamental skills, game strategies and team unity recognizing that success is not measured only in terms of wins and losses at the junior varsity level.

Middle School

1. The coach will emphasize participation, teach fundamental skills and introduce game strategies appropriate to the level and maturity of the players.
2. He or she will allow playing time at practices and at every game, at his or her discretion.
3. Coaches will introduce and develop fundamental skills and game strategies while teaching unity, a strong work ethic and pride.
4. If the roster exceeds the maximum team size, coaches may practice one of the following models:
 - a. Choose to form a second team.
 - b. Choose a core group of higher skilled athletes and rotate groupings of the team around this core on a game-by-game basis.
 - c. Divide the team into several teams and split the game schedule to accommodate the number of teams.
 - d. Choose a travel squad consisting of higher skilled players and allow all or a rotating percentage of the other teammates to participate in home games.
 - e. Form a third team of combined 7th & 8th graders. This team will work on developmental skills with an abbreviated schedule.

Lower School

1. Fourth grade will be an introductory season for our student-athletes.
2. In both fourth and fifth grades, coaches will endeavor to maintain equitable playing time for all our student-athletes.
3. The first two years of athletics at Sierra Canyon will focus on rules and fundamentals, with the goal of fostering a love of sport and ensuring participation in future years.
4. In sixth grade our athletic teams endeavor to qualify for playoffs at the end of the league season. Consequently, a greater emphasis will be placed on winning.
 - a. Coaches will continue to employ the fourth/fifth grade philosophy in respect to practice time.

- b. All student-athletes will play the majority of the contests in an equitable fashion, but the coach reserves the right to play more highly skilled athletes a larger portion of a game in order to secure a victory.

Note: All students who "sign up" for athletics are placed on a team roster unless issues of safety, health, supervision, space or facilities become prohibitive. In that event, the Athletics Department Administration may decide to limit roster size and/or number of teams.

b. Concerns not to be discussed with a coach:

- Playing time
- Team strategy

Procedures for addressing a concern

1. If the concern starts with your child, have them talk to the coach first.
2. Call the coach and request a meeting.
3. If there is no resolution, contact the Athletics Director and request a meeting.
4. IT IS IMPORTANT TO NEVER CONFRONT A COACH BEFORE OR AFTER A PRACTICE OR A GAME.

Sierra Canyon School Code of Sportsmanship

Sierra Canyon School expects our coaches, players, students, cheerleaders, faculty, staff and administration to represent the school in a manner that is respectful of others, both on and off the fields of competition. We strive to maintain the highest levels of decency, discipline, and sportsmanship.

Policy for Photographing or Videotaping Athletic Events

Although it is Sierra Canyon policy for all photographers and/or videographers to remain in the stands or behind the restraining fence during outdoor contests, an individual may request permission to be on the sideline. The number of photographers may be limited by the Athletics Director. The photographer(s) or videographer(s) must be shooting for the entire team and be willing to provide access to the pictures/videos on a regular basis. If approved, the following guidelines must be followed:

1. An official "press badge" must be requested from the Athletics Office, and worn at all times while filming.
2. No verbal comments to players, coaches or officials, whether good or bad, are to be made at any time. The photographer/videographer must remain completely unbiased and quiet.
3. Sideline access will be permitted from the end zones to each 20-yard line. Between the 20-yard lines and end zones, filmers must remain in a designated area.
4. Do not approach team huddles any closer than 30 yards during time outs, halftime or after the contest.

Policy for Photographing or Video Taping Athletic Events

continued

The Athletics Department would like to be able to post each picture submitted by parent photographers on the Sierra Canyon School website, but simply cannot accommodate the quantity we receive. The following guidelines must be followed:

1. All photos will be reviewed by the Athletics Department Administration, and those deemed appropriate will be placed on the website.
2. Photos that capture a significant portion of the team should be submitted for approval.

Daily and Weekly Schedule Updates

All game schedules remain dynamic and are therefore subject to change. This is often due to weather, cancellation by the opposition, or unforeseen conflicts. It is critical that parents of Sierra Canyon student-athletes familiarize themselves with the Sierra Canyon Athletics website, and parents are encouraged to sign up for online alerts.

On inclement weather days parents can contact the Athletics Department for the most current information. Team schedules on the website will be updated as changes occur throughout the season.

Student-Athlete Eligibility

- The athlete must be less than 19 years of age on June 1st of the school year in which he or she participates.
- A player must have a medical release form and a signed code of conduct on file in order to play or practice.
- If a student misses any part of the school day, he or she is ineligible for extracurricular activities that day. The Dean of Students or the Athletics Director will determine any exception to this policy on a case-by-case basis.

Academic Failure and Early Departure for Athletic Events

Student-athletes must have at least a C (70) in a class in order to be allowed to miss that class for athletic competitions requiring early dismissal from school. Athletes with a D or an F in a particular class may not depart with their team if the scheduled departure requires them to miss that class. Any alternative transportation arrangements must be approved by the Athletics Director.

Club Sport and Extracurricular Activity Policy

Varsity

It is a privilege to be a member of a varsity team that represents Sierra Canyon School, therefore full commitment to SCS sports is expected from every varsity athlete. Varsity practices and contests take priority over any conflicts involving club sports or other extracurricular activities.

Junior Varsity & Middle School

Every effort must be made by junior varsity and Middle School athletes to commit to all practices and contests. In the event that a conflict arises, the coach and/or the Athletics Director will recommend discipline appropriate to the situation.

Communication is critical within this policy. During preseason, coaches must review the schedule of practices and contests with their potential squad. All conflicts need to be resolved at that time, and in accordance with the above policies.

Game Guidelines

1. All parents, students and fans **MUST** remain in the stands or behind designated roped off area.
2. Athletes must wear the issued uniform for all games.
3. Athletes must follow team rules and guidelines established by the Head Coach.
4. Every team member must abide by the CIF Sportsmanship Creed.
5. Sierra Canyon will not tolerate profanity, inappropriate behavior or poor sportsmanship from players, fans or coaches. Players are subject to suspension from the game or team. Fans may be asked to leave the game.
6. **Early Dismissal and Missed School Days for Competition**
 - a. There are some occasions when a team will have an early dismissal in order to get to a game on time or miss school due to competition. A student is responsible for any class work missed due to an early dismissal and missed travel days.
 - b. Prior to leaving, student(s) must make equitable arrangements with his/her teacher(s) for all academic issues.
 - c. Athletes are to change into uniforms at early dismissal time or at opposing site. **NO CHANGING DURING LUNCH OR STUDY HALL.**

Practice Guidelines

1. Students are responsible for maintaining the cleanliness and overall upkeep of the locker room facilities.
2. Students are not allowed access to any facilities without proper supervision. Practices may not begin without a coach present.
3. Storage areas will be secured at all times. Neither students nor anyone other than coaches will have access to storage areas without proper supervision. The same restrictions apply to Athletics Department and Coaches' offices, which will remain locked when a coach is not present and should never be used as a student lounge.

Practice Guidelines

continued

4. Cleats are not allowed in the gym or locker rooms. Muddy shoes are to be removed before entering the gym area. Only appropriate shoes are to be used on the gym floor.
5. No loitering is allowed in designated practice areas during practice times.
6. Unsupervised playing in the gym or use of the weight room is not allowed at ANY time. All athletes must abide by posted rules.

Travel

1. All team members will travel to and from games in a vehicle provided by Sierra Canyon School, or in transportation approved in advance by the Athletics Director.
 - a. Parents are allowed to transport their child under written/verbal agreement with the coach. (See attached)
 - b. Parents are not allowed to transport other team members without written approval by their parent. (See attached)
 - c. Student drivers may be permitted to transport themselves to local practice/contest venues. Approval must be obtained before event.
 - d. It is the responsibility of all players to follow bus guidelines as set forth by their coach or the transportation company. In addition, the players must maintain bus cleanliness.

Attendance

Athletes are expected to attend all practices and games unless an illness, death in the family, or another significant event precludes their presence. If an athlete absolutely must miss a practice session or game, the coach must be notified at least a day in advance. If no prior notification occurs, the coach will notify the Athletics Director or Assistant Athletics Director. Should excessive absences occur, a student-athlete may be dismissed from the team. All absences will be documented, and parents will be made fully aware if their child's position on the team is in jeopardy before any dismissal occurs.

All varsity practices are limited to 2 hours & 15 minutes. This includes team strength lifting, speed, agility & quickness training, and film sessions. Although most programs do not use the full allotted times, some might. Typically, practices take place between 4:00 – 6:15pm, however coaches are not limited to this time slot, i.e. due to gym availability and inclement weather for outdoor sports. In such cases practices could be later in the afternoon or evening. In this event, we encourage our athletes to begin studying right after school until their appointed practice time.

Request for Adjusted Practice and Game Schedule

Students who are nationally ranked at the highest level of his/her sport may request an adjusted schedule for practice and game participation in Sierra Canyon sports. The response to this request will be determined by the Athletics Director and team coach.

Attendance

continued

Preseason Participation Policy

A student-athlete who is completing a season is not allowed to participate in preseason practice for the following season on school nights. Weekends and holidays are the exception, but only if the in-season head coach agrees to the practice schedule.

Academic Excused Absences

Athletes will not be disciplined for missing practice for legitimate academic purposes. To prevent abuse of this policy, the coach or Athletics Department Administration will review all excuses to determine validity.

Coaches will always be flexible, especially as it pertains to academic help. Students, coaches and teachers should communicate openly to create a suitable practice/study schedule that suits everyone involved.

Uniforms

All students are expected to adhere to the practice uniform and game uniform requirements set forth by each level and sport.

Upper School Uniforms

Athletic uniforms are distributed at the beginning of each season and must be returned at the end of the season. Athletes are responsible for their own uniform. NO ALTERATIONS are to be made to any uniform. If the uniform is not returned in a timely manner, or is returned in unusable condition, the player's family will be billed for the replacement cost of the uniform.

Lower and Middle School Uniforms

Athletes must purchase a game uniform from their coach or the Athletic Director. In the event that the uniform style has not changed from the previous year, athletes are allowed to use a uniform that they have previously purchased. With regard to sports where uniform purchases are not practical, the School will provide a uniform that must be returned at the end of the season. If the uniform is not returned in a timely manner, or is returned in unusable condition, the player's family will be billed for the replacement cost of the uniform.

It is at the coaches discretion whether or not to allow players to wear any items which serve no purpose or function. These items may include, but are not limited to:

1. Legbands or "Under Armour" bands.
2. Wrist, Head, or sweatbands.
3. Eye black. If allowed, it should be worn modestly and directly below the eyes. Face painting is not allowed.

Undergarments should follow Sierra Canyon guidelines specific to your sport. If the CIF does not address your specific sport, then Sierra Canyon colors of navy, silver, white, or neutral black should be worn. Any other color may only be worn at the discretion of the coach.

Code of Ethics - Athletes

Athletics is an integral part of the school's total educational program. All school activities, curricular and extra-curricular, in the classroom and on the playing field, must be congruent with the school's stated goals and objectives established for the intellectual, physical, social and moral development of its students. 11. Win with character, lose with dignity.
